ENTERPRISES

**COMMERCIAL AND INDUSTRIAL REAL ESTATE  
DEVELOPMENT | MANAGEMENT | BROKERAGE**

Established in 1974, Landmark Enterprises is a full-service commercial and industrial real estate development company providing real estate services to the Southeastern United States. In its lifetime, Landmark Enterprises, Inc. has developed and owned over 65 commercial office and industrial projects and continues this tradition.

Landmark Enterprises provides a complete range of third-party real estate services including commercial and industrial development, asset and property management, and brokerage to both domestic and international clients. Through our powerful networks and professional team, we have the expertise, technology and key relationships necessary to ensure success.
